This large town house is located in the small village of Rodriguillo, just 5 minutes drive from the prosperous town of Pinoso where you will find all amenities. The property has great rental potential. As you enter the house you are welcomed by a long hallway, to the right you will find a lounge / dining area followed by the kitchen. At the end of the hallway is a staircase which leads to the second floor and here you will find a family bathroom, 2 double bedrooms and a single bedroom which is being used as an office. Next to the staircase is a door to the balcony and across from the balcony is another part of the house that is currently being used for storage but could be converted into more living space. Underneath the staircase is a door that opens up to a small enclosed patio which has another bathroom and a door that leads to another section of the house which has another kitchen and a lounge area with a fireplace. Next to this room is a large garage. This house benefits from being in a quiet location yet very close to amenities, central heating, mains water and electric, telephone, internet and TV.
