Bedrooms:	3
Bathrooms:	3
Pool:	Yes
Air conditioning:	--
Central heating:	--
Parking:	--
Terrace:	--
Location:	Javea
Property Type:	Villa

This beautiful sea view property is located on the urbanisation of El Piver. The build has started and will be finished in 15 months time. The property will have 3 bedrooms all with ensuite. In the future you could create a 4th bedroom very easily. Built to an incredibly high standard by a team of locals builders who have constructed a number of projects in the area already. Layout is over to three floors with two bedrooms on the first floor and another on the main living level. The high end construction comes complete with a double garage with internal access to the villa. Underfloor heating is provided by a heat pump and air conditioning is installed through out. Nice extras such a motorised persianas and a Domotica system are included into the build. Contact the team for floor plans and more details.
