Designed by world-renowned architect, Vasco Viera, the project is due to be completed by 2024 and is currently being launched at introductory rates for the first investors. The units ranging from two to four bedrooms, many with their own private infinity pools, are entirely south facing and benefit from uninterrupted sea and golf views. The two-bedroom duplex penthouse apartments are introduced at a launch price which starts at 1,995,000, they come fully furnished and fully managed by a leading local property management company, making them ideal investments for those seeking holiday homes, and relocation. They have access to large private roof terraces with large infinity-style private swimming pools.

Features Include: Infinity swimming pool Large private roof terrace Energy rating 'A' making them incredibly efficient and comfortable to live in Underfloor heating throughout the entire internal space Fully inducted air conditioning throughout Home automation system allowing Domotic control via a smartphone Electric blinds with blackout curtains Private sealed garages with room for three cars and additional storage Video intercom system

Facilities: Large communal swimming pool Dedicated reception with concierge services Sauna and gymnas...
