floor&:amp:nbsp:2-bedroom "Annapurna IIâ€∙ apartments have bright open plan kitchen with a lounge/dining room that opens entirely onto the large terrace, plus a utility room, and 2 bathrooms. They are built with very high-quality materials and come with hot and cold air conditioning via a duct system, underfloor heating, and hot water, all from an aerothermal system. They also come with complete fitted bathrooms and kitchens with white goods included. This home is sold with 2 underground parking spaces and storeroom included in the price and there are optional extra parking spaces and storerooms, should they be needed.
"Annapurna II― is made up of 22 apartments and duplexes with 2 or 3 bedrooms spread over 4 blocks. They have the use of communal garden areas and 2 swimming pools. The properties are stepped so are not <u>directly on top</u> of each other as a traditional apartment would be and they just have one neighbour to one
