Huge Townhouse - Family home - Oliva - OCTH730000 A great opportunity to purchase a huge property in Oliva old town. Having previously been a bar, it could quite easily be again. It could also be a B&B or a large family home. This property could adapt to pretty much any lifestyle. The property consists of 2 large spacious lounges, 4 double bedrooms and one twin. There is a kitchen/dining room with a log burner and a further summer kitchen just off the terrace. There are 2 bathrooms, one with a bath and the other a shower, the property also benefits from 2 more separate W.C's. On the second floor there is a great room currently being used as a playroom. The ceiling here is quite low. There are lots of rooms within this property to be used as you see fit, it just goes on and on! The roof terrace is quite unusual in that it sweeps round the house and has been separated into separate areas. Quite a quirky property, thoroughly spacious and well presented.
