Townhouse with a garage & fabulous views - Oliva - OCTH235900 Located near San Roc square we offer this quirky property with a garage and fabulous views! The front door opens to a lounge area with a log burner and a double bedroom to the right. A feature arch leads us to the kitchen area with a shower room to the right. The kitchen opens to the covered patio with a pond space. There is a drain here and this patio could be opened up. Stairs to the first floor open to a large landing space with another log burner and a second double bedroom. Off to the left we have a gallery with internal door to the garage. Above the garage there is a room for a second bathroom or summer kitchen. The stairs from here take us to a conservatory space / possible summer kitchen with sliding doors to a good size roof terrace and fabulous views! The property would definitely benefit from some TLC and modernisation but the location and possibilities are superb! Viewing recommended!
