Built in the Moorish style, the house features five bedrooms in two fully fitted rental apartments and living accommodation for the owner. Electric gates open to reveal a large courtyard area with off street parking for two cars. Central steps lead to a covered patio with adjacent terraces for plants and shrubs. The lower courtyard provides access to an old stable block converted to a self-contained one bedroom apartment with fully fitted kitchen, lounge and en-suite bathroom and shower. The apartment has steps to a sun balcony with views across surrounding olive and almond groves. A computerized pellet burning heating system powers 15 radiators and provides constant hot water for the entire house. The upper patio, decorated with traditional Arab design ceramic wall and tiles has an Alhambra style rectangular fountain with mosaic inset floor. Studded wooden doors allow access to the main part of the house. All floors in the house are covered with tile designed to keep the house cool in summer. The reception hall is large and features a Moorish arch with supporting pillars and carved plaster crown mouldings. Double doors lead to a large dining room with integral lounge area. A small, kitchen is connected by a stable door to a rear walled patio used for BBQ...
