This bungalow was originally given by the Portuguese Royal family to the head of the Queen's guard on his retirement from service. "You have always been in the right place at the right time and now you will always be in the right place at the right time." On the water, with two terraces that lead to your private part of the ocean, this 2 bedroom bungalow is all about location. Around the corner from Cascais police station this is a quiet residential street, with all amenities within a one minute walk. Private, beautiful, on the sea, modest, easy access to all amenities and in the heart of Cascais. This is a home that will always be in the right place at the right time.
