The house is in need of a full renovation, however there is mains water and electric connected so you can live in the property whilst you get on with the work. On entering the property there is a large hallway with 2 ground floor bedrooms, a lovely large dining room, through to the living room and small kitchen with the original bread oven. There is a downstairs bathroom, utility room and storage space. Upstairs is all open plan and plenty of room to add an extra bathroom and a possible further 2/3 bedrooms. The house is very traditional and is full of the old style floors, exposed beams and fireplaces. Included with this house is a huge old wine bodega what could be turned into extra accommodation or workshop, there is a plot of land at the front of the property and 2 small patios at the rear.
