This spacious traditional apartment is located in the centre of Pinoso town close to all amenities. It's ready to move into and is located on the second floor of a small block with 9 apartments in total. The block doesn't have a lift. It has a large kitchen with fitted wooden units, a larder with marble shelves and a small terrace where the washing machine is located. A corridor leads to a large sunny living room/dining room and French windows open out onto a large balcony with enough room for a table and chairs. The apartment has 4 good sized bedrooms, 3 doubles and 1 single. There are 2 bathrooms, one with a shower and one with a bath. The apartment would benefit from some modernising and decoration, but has an excellent layout, the living room is completely separate from the kitchen, so no cooking smells. There is also a communal roof terrace. Early viewing recommended for this great value apartment!
