This country house is located in Las Casicas, just outside the lovely town of Fortunas where you will find all of your amenities. The house sits on a 21,900 m2 plot of land in a great location with some spectacular views. This house and cave house are very old and would need a lot of work to make it liveable. The detached house has 2 bedrooms and an open lounge / dining room with a fireplace. The cave has 3 bedrooms and a lounge with a fireplace as well. The roof of the cave has partially fallen down and would need to be fixed as it is unsafe at the moment. The property has mains electric, mains water is available but would need to be connected.
