Fantastic 8,239 m2 plot of land, in Caparide, with very fast access to the A5 highway, Parede and Estoril. The plot has a PIP (Previous Information Project) approved by Cascais Municipality, allowing construction of up to 4,000 m2 for residential units, in this case, a condominium of 8 houses T3+1. It allows other possibilities such as a single-unit home or a Senior housing facility. Its location, project development flexibility and accessibilities make it a very good option for a single residence, with lots of privacy, or a larger scale deployment. Book a visit with us!
