This beautiful home has ocean views in a vibrant beach town north of Porto. The townhouse comes fully furnished and ready to use. There are four bedrooms in the home and three different balconies to enjoy the views of the Atlantic. Built in 2006, this home is part of a condominium that features a swimming pool and community centre. The master bedroom is on the top floor with a private balcony and the three other bedrooms are found on the second floor. There are hardwood floors throughout the home and custom-made wardrobes. There is central heating throughout the house and the kitchen comes fully equipped. The interior design is accentuated with shist stone both on the outside terrace and within the living room along the walls. The kitchen was renovated to include a countertop and integrated storage units. The glass doors open fully to allow fluid movement between the living room and the covered outdoor dining area. There is a security system and a three-car parking area outside. The town is vibrant with the best fish restaurants in the area a few metres from the house and the beaches are fantastic.
