One of the best new penthouses available to buy in Madeira. If you are looking for a penthouse in a new development then you found the one. This is a 3 bedrooms + office penthouse, with private pool, garden, 5 bathrooms and toilets, 4 parking spaces in a box and really big outdoor space. It has also a spectacular view over the ocean, where you can enjoy the gorgeous sunset. Located in the most wanted residential area, you have supermarkets, shopping centre, services, school, everything you need at a walking distance. Top quality materials and construction, from a developer that has proven their value so far, with several buildings built and sold. Great value for money! Don't lose this opportunity of living in a "house inside a block". Great investment for short or long term rentals also. Contact us for more details.
