Description: Welcome to a unique historical and architectural treasure, the Castle Palace of Albalat de Taronchers. This majestic building, also known as Casa del Castell or Casa de los Blanes, is not only a living witness to history but also an exceptional example of the architectural richness of the Valencia region. Highlighted Features: Stunning Architecture: This castle-palace stands out for its impressive architecture that combines defensive and palatial elements. The underground floor, which used to house stables for horses, is a testament to its architectural versatility. Majestic Spaces: On the first floor, a vast space accommodates multiple rooms, including a kitchen and dining area. The staircase, steeped in history, leads to the main floor, which was the primary residence. Here, you'll find spacious lounges, imposing windows, and rooms adorned with period prints and furniture, a true delight for design and history enthusiasts. Versatility on the Top Floor: The top floor offers a spacious open area that can be customized to meet your needs. It's a blank canvas to unleash your imagination and create a truly unique space. Ample Plot: The castle boasts a generous plot of 526m2, providing outdoor space in the heart of the city. Impressive Dimensi...
