We are delighted to present this tastefully reformed Villa located in a peaceful setting but still only a few minutes walk to the main centre of the village. Entrance to the Villa is either via a pedestrian gate or electric sliding gate allowing access to the garage. On entering the Villa the current owners have created a relaxing reading/dining area which benefits from the morning sun. The main living area is open plan, includes a fireplace and access to the recently fitted high quality kitchen, a bathroom and 2 bedrooms, one of which is currently used as a study, ideal for anyone able to work remotely. Access to the terrace is from the kitchen from where you can enjoy the campo, the rear of the property is south west facing. Steps lead down to the heated swimming pool. The heater has wifi connection. On the 1st level of the Villa is the master bedroom with en suite shower room. There is access to a small balcony and stairs lead to the roof solarium, from which you can enjoy views down to the coast. This solarium is also accessible from the second bedroom which has a vaulted ceiling and also a terrace. The outside of the property is low maintenance and provides both areas to enjoy the sunshine and shade too. Air condition...
