We are very happy to show this gorgeous apartment located on the south side of the Douro River, with unobstructed views of the river and the Atlantic Ocean. This spacious five-bedroom apartment has extraordinary views from every bedroom, and each room has an on-suite bathroom with radiant-heated floors. The open living room has a fully-functioning fireplace and connects to a private balcony that is on the corner of the building. The kitchen comes fully equipped with all domestic appliances, and there is an induction and gas cooking range. A laundry room connects to the kitchen, and there is a central vacuuming system throughout the entire home. This apartment is also adaptable to the smart home concept, with a built-in security system, security door, and remote access through smartphones. One simply needs to activate a system. Heat and air conditioning are found throughout the entire property. Hardwood floors are in every room of the house, with oak wood panelling in the hallways and bedrooms, giving a warm and welcoming feel. Sliding-door windows are in four of the five bedrooms, with a river and hillside view from the fifth bedroom. Within a gated community, this apartment has full-time security, a concierge service, and a resident's garage with two par...
