Welcome to your dream home! This charming detached house from 2022 in a modern style with an original design that combines elegance and comfort. Here you can enjoy privacy and relax from the hectic everyday life. The property has 2 bedrooms, both with access to a terrace at the back, 2 bathrooms (one of which is en-suite), spacious and bright living-dining room with extra ceiling height and large windows that provide lots of natural light. From here you have access to the terrace and pool. An open kitchen solution in French style, equipped with state-of-the-art appliances. Here you have everything you need on one floor. But the best thing about this property is the private garden with non-slip tiles, where you will find a heated pool with a hot tub. The perfect place to enjoy Spain's hot days! In addition, the home has a practical storage room/laundry room outside. And if you want to enjoy impressive views, head up to the private roof terrace, which is prepared with electricity and water so you can cook your own summer kitchen and enjoy unforgettable moments with family and friends. This beautiful detached house is located in Benijófar, a city in the Vega Baja region in full expansion. We can highlight its proximity to the Alicante-Cartagena highway and proximity to the sea.
