House in the town of El Puig De Santa Maria, this town is very close to Valencia with excellent highway access. The property has gas central heating and air conditioning and a fireplace on the ground floor. The house is distributed over three floors and a private terrace with barbecue area and pool. The entire property is characterized by the height of the ceilings as well as the original elements distributed throughout the house. Distributed over three floors, upon entering the house, the kitchen is located on the right side and the bathroom is located on the left. On the first floor of the house, the master bedroom has its own private terrace and a full bathroom and another room as a living room. On the second floor, there is a spacious loft that currently has another bedroom and an office space. The property has been completely renovated and is located very close to all services. The Puig municipality of Horta Nord has a bike path to the beach, its beautiful Monastery, one of the most important symbols of Valencian architecture, a historical and tourist spot par excellence, green areas, as well as all the necessary services. El Puig is very close to the sea and 14 km from the entrance to Valencia.
