The total build area of the farmhouse is 2000m² of which around 800m² is currently living accommodation. The owners have kept all the original charm and character throughout. The farmhouse has the original winery attached which maintains the original equipment and presses. There is a large workshop or garage for at least 6 cars. Next to the main house is a smaller house with lounge diner kitchen, a bathroom and a bedroom, stairs lead up to a large undeveloped room which could make further bedrooms. The grounds of the main house are laid to gardens and house a swimming pool and a pine woods of 1125m² with 53 mature pine trees and 6 acacias. The land totals around 147,000m² and is planted with a mixture of almonds, olives, grapes and cereals.
