This unique plot is located in Costa de la Calma, south-west coast of Mallorca. The plot of 1178m2 comes with a license for the possibility to build upon 35% of the total area. It would be possible to construct a 2-storey family house with a swimming-pool as well as access to a small beach. The popular Costa de la Calma beach bar is a short distance away and the neighbouring town of Santa Ponsa, with its well-developed infrastructure, is only a few minutes by car. Port Andratx with its seaside restaurants and boutique stores is 15 minutes by car and the rest of the island can easily be accessed via the motorway.
