Newly built apartments in the sought after area of Cala Anguila, on the east coast of Mallorca. The cozy apartments of 79,5m2 are distributed in an open living area with open kitchen, two bedrooms and two bathrooms with high quality finishes. The open plan kitchen incorporated in the living area is equipped with base units from the Italian manufacturer Venetta Cucine and with light colored Silestone countertops and kitchen front. The kitchen includes a Bosch appliance package including oven, induction hob and extractor hood. It should be noted that the entire house has double glazing insulation, a lighting package of LED bulbs of very low energy consumption throughout the house is included and also has air conditioning and communal pool. Each property also comes with a parking space. The ground floor apartments have a private garden for 445,000. Cala Anguila is only 3 kilometers from Porto Cristo, not far from Porto Colom. The famous Caves of Drach and the Caves of Hams are just a few minutes away. The town of Manacor, the largest town in Mallorca, second only to the capital Palma, with all the services it offers, is 14 kilometers away. The estimated delivery date is April 2024.
