This property presents an exciting project to restore a country house and attached bodega to make one large house or 2 separate dwellings. Each property has its own deeds. The building requires complete refurbishment. There is land to the front of the property and a fenced area behind with a patio area to the rear of each property. The house has mains water and electricity. There currently is a sitting room with a shower room off, a lounge diner with an open fireplace and a kitchen bbq. The old bodega (winery) needs to be remodeled into a living space. The village with a bar restaurant is within walking distance. Pinoso town and all amenities are within a 10 minute drive and Alicante beaches and airport are 50 minutes away.
