This town house is located close to the town center of Pinoso in an area known as the old town of Pinoso as it is where the original houses of the town were built. You are walking distance from supermarkets, shops, bars and restaurants. The house consists of 2 living areas, the main house has 3 bedrooms, 1 bathroom, 1 lounge and 1 kitchen / dining room. Past the courtyard there is the other living area which is a studio with its own kitchen / living room, bathroom and a bedroom upstairs. This means there is a lot of potential to either make one big town house or rent out part of it for some income. On the other end of the property there is another open courtyard which leads to the 2 car garage. The house has mains water and electric, TV, internet and a great location close to the center of town.
