This country house is located just a few minutes drive from the sought after town of Pinoso and is just a short track off a tarmac road. The house is a traditional style, Spanish country home with a large covered terrace to the front aspect. There is a lounge with wood burning stove, a fitted kitchen, 3 double bedrooms and a shower room. The property has a large loft space, mains water and electric and a fenced front patio. To the rear of the house there is a huge almond orchard which is in full production. Due to the size of the land it is possible to split it and keep 10,000m2 for the existing house and have the rest of the land as a building plot to either sell on or to have a new house built and reform the current house as a guest house. It is also possible to build more onto the existing property even if you split the land.
