This magnificent and unique farmhouse is located in an idyllic environment, where peace and tranquility reign. It is surrounded by green areas and its own fruit tree plantations. It has 325,000 square meters of plot, of which 20,000 are fenced with a stone wall. The property has two buildings. The main house is 960 square meters and the secondary home is 140 square meters. A beautiful cobblestone path surrounded by trees leads us to the main entrance of the plot. On the left, we find the smaller house. It consists of 3 bedrooms, a kitchen, 2 bathrooms and a living room with a fireplace. To the right of the entrance there is a large warehouse where all the machinery necessary for the maintenance of the farmhouse is stored. Going up through a beautiful and well-kept garden, we find the main house, from which we access a huge hall with a wooden roof, where we find the staircase that gives access to two of the three floors. From the hall we access a bedroom, a bathroom and the master suite, which has a dressing room and a huge bathroom with two showers. To the right of the main entrance, a spacious and bright hallway leads us to the kitchen which is separated into the kitchen area, refrigerators, a pantry with an industrial chamber... from a living area with...
