We are delighted to present this collection of four newly built tourist apartments, which offer an incomparable accommodation experience. Located in the heart of Valencia, these apartments are designed with your comfort and convenience in mind. Each unit is delivered in October of this year, fully furnished and ready to move into, with a modern and elegant design that reflects the charm of the city. In addition, all units are adapted and have independent entrances, providing privacy and freedom. With approximately 44m² of living space, each apartment offers a loft-style layout that maximizes space and functionality. The open concept living area and kitchen invite you to relax and enjoy moments of conviviality, while the spacious bedroom guarantees a restful night's sleep. In addition, each unit has a generous bathroom and built-in wardrobes in the hallway, offering the necessary storage space for your belongings. As an added value, these apartments include space for bicycle parking, under regulation for a tourist license. We are proud to offer you maximum transparency and security. All apartments have the certificate of urban compatibility and the tourist license approved by the Valencia City Council. In addition, an exhaustive analysis of expenses and pro...
