A newly renovated building, preserving its historical facade and characteristics, combines contemporary architecture with typical finishes of the area. With a stunning view over the Tagus River and sun exposure to the south, this apartment building offers four studios, one T0+1 and four T1, spread over five floors, with pleasant balconies and an inspiring vertical garden. The apartments, with areas between 38 m2 and 78 m2, have plenty of natural luminosity and are characterised by minimalist and comfortable interiors, highlighted by Lioz marble. Located in a quiet and charming neighbourhood, it's close enough to the bustling energy of Alc ntara, making it an ideal location for those who value tranquillity but still want access to a dynamic urban environment.
