Exclusive country house at the gates of the Sierra Calderona mountains Valencia. This magnificent and unique property has approximately 30.000m2. The house is a classic building of Valencian architecture from the time of the beginning of the last century is characterized by its high ceilings, terraces, towers and spacious rooms currently used for events is equipped with everything necessary for such activity. Next to this farmhouse is the other property used as a fully renovated and refurbished home, characterized by its practical and logical layout, as all the rooms and bedrooms open onto a large outdoor patio. It has an organic vegetable garden as well as plantations of orange and olive trees, almond trees, a large swimming pool, stables and space for horse riding. The gardens surrounding the property give it a special charm due to the care of the environment, it has all the amenities both as a regular home and to exercise hospitality activity and be an investment with assured profitability. The area where this splendid country house is located is characterized by its proximity to the city of Valencia and the excellent services of its surroundings, the town of Betera is walking distance from the property, it is strategically located with quick access t...
