Immaculate - Quality - Townhouse with garage - Oliva - OCTH776000 This top quality property, not only boasts a fabulous location in town, but has a garage large enough for 3 cars or enough space to create a separate apartment on the ground floor. The ground floor already has a wc and plumbing for any development. The stairs lead us to a large lounge / diner with a log burner and 2 Juliet balconies for lots of natural light. The hallway leads us to a large kitchen with utility area. On this floor there are 2 bedrooms and a bathroom. Stairs lead us to the 2nd floor with 2 further bedrooms and another shower room. There is a good size terrace with a room that would make a perfect summer kitchen. With AC in all of the main rooms and finished to an excellent quality, if you can't find anything comparable, that might be because there isn't anything! Worth viewing!
