Own your own hillside! Land - Gandia - OCVL563000 Located just on the outskirts of Gandia you have the opportunity to own the whole hillside, plus terraces upon terraces of orange trees and land! There is a 2 storey building situated at the entrance to the land and a building further inland to house the solar panels and the pump for the well. The possibilities exist for country living and the ability to stroll round your own property up hill & dale. You can hear the traffic from the autopista but you would soon adapt.
