Apartment Duplex Oliva REF: OCAP399000 Beautiful 2nd floor duplex apartment with two floors located just off the paseo in Oliva. There is so much space here that you can really design the apartment exactly to your liking. Currently consisting of 4 bedrooms and 2 bathrooms, both of which have a bath and one of these bathrooms is absolutely gorgeous, a huge room with a circular bath and surround all made from a buttermilk coloured marble. The main bedroom is incredibly large and has the added advantage of a spacious dressing room. There is another dressing room at the other end of this floor which is a separate space. A small room on each floor could be used for an office or a young child's room..... or anything else that may take your fancy! The lounge is incredibly spacious and is currently also a dining room. The fitted kitchen also has a table for dining. This apartment is being sold with all the furniture. There is a shared roof terrace. The photos don't do this apartment justice, you just can't tell how much space there actually is. Well worth viewing.
