Town house - Old Stables - with beautiful views - Oliva - OCTH226900 This property used to be an old stable block, so if you are looking for character - you have found it!Â The front door opens to the lounge / dining room with hot & cold air conditioning and a log burner.Â There are wooden beams and some lovely original features. The kitchen is very colourful and has a window to the light well.Â The little light well area has a utility area and the ground floor shower room.Â The dining area is slightly raised and leads to a couple of steps to the bathroom.Â This is a large bathroom with a bath. The stairs lead us to a narrow corridor with beams and access to the 4 bedrooms.Â These are currently set up as a single room, two twin rooms and a double bedroom.Â There is a door to the mid terrace from here. The roof terrace has some lovely views over towards San Roc church, down to the sea and a glimpse of the cross for that winter sun!Â This property is something completely different!Â Viewing recommended!
