Spacious, tasteful, bright - Oliva - Town House - OCTH772000 Well located low down near Santa Maria church, we have this immaculate, spacious property. The ground floor consists of a large entrance / dining area with a double bedroom to the left. A set of double doors through to a large lounge with log burner and AC. Off to the left we have a galley kitchen with a shower room at the end and a patio & utility area. Stairs lead to the first floor which offers us a large master bedroom with good size en-suite. The 3rd double bedroom has access to a shower room. This could be en-suite, but offers the flexibility of being used from the 4th bedroom & terraces. The door to the terraces takes us round a little minstrels gallery large enough for a sofa set and access to the 4th bedroom. The terrace is split level with some great views and has a water feed and electric socket points installed. Top quality! The photos do not do it justice!
