Traditional house in a very good location - Oliva - OCTH228700 Nice house with patio in a good area. On the ground floor there is a bedroom, bathroom, living room, dining room and a good size kitchen with fireplace. In the middle of all these rooms there is a nice interior patio which gives them light. On the first floor there are 3 bedrooms and a living area leading to a nice terrace. The bedroom also has a nice balcony overlooking the street. On the second floor there is an open space with many possibilities, it leads out to a nice roof terrace, it would have to be levelled to be able to use it. The house is in need of renovation, but retains some lovely original features, such as the tiles in the rooms.
