Magnificent completely renovated house in the centre of the village - Oliva - OCTH232200 This enormous town house has been completely reformed to a very high standard. There is also the potential to have the ground floor as a separate living space. It is currently set up as one large house. The front door opens to an entrance hall with the stairway to the first floor. As we move forward it opens to a large lounge with a bedroom to the left and windows overlooking the patio. To the other side of the patio is a large open plan fitted kitchen with dining area and a shower room. The stairs lead us to the first floor with two good sized double bedrooms and a family bathroom. The next floor gives us a fourth double bedroom & an office / store room. Then we have the large master bedroom with dressing area and en-suite bathroom. Up to the roof terrace with a room perfect for setting up your bar, then the utility area and could be a summer kitchen and out to the large terrace. The views are great, especially considering how low down it is in the old town for the location. The property has new double glazed windows, completely new plumbing (including the drains) and electrics throughout.
