A few steps lead us to the front door which opens to a large, light, bright lounge / dining room with a log burner. There is a double bedroom to the left with a window to the front and a single bedroom. On through to a kitchen which is a good size, a ground floor shower room and patio doors to a cute patio area with a plunge pool! Superb! The stairs take us to another bathroom, a single bedroom and a second lounge with log burner and a mid terrace with some nice views. The roof terrace is a great size and has a utility room which could easily be a summer kitchen also.
