Very large house with a large garage - Oliva - OCTH234100 Well located near all amenities and the paseo, we offer this very large property. The ground floor has been completely done and offers access to a large garage with easily space for 4/5 cars. There is a light, bright lounge, good size kitchen, a bathroom and three bedrooms on this floor. The garage also has a separate wc & utility area. The fun starts on the first floor, which could be a totally separate self contained apartment. This needs completely renovating! There has been water ingress in various places in the past, apparently all sorted, but you can still see where it has come in. It is a huge space with lots of different rooms and areas. It would suit someone wanting to do a retreat or different types of classes / activities. There is a kitchen area and an old bathroom. There is a small roof terrace at the top. Lots of possibilities!
