These towns are where you will find all of your amenities including shops, supermarkets, bars, restaurants, medical centres, etc. The house has a total built area of approximately 300 m2 and includes 3 bedrooms, 2 bathrooms, 1 large lounge with a fireplace (space for another bedroom as well), 1 kitchen with an italian stove/oven, 1 separate dining area which leads to a heated 3x2 m indoor pool and a patio area with a covered BBQ. Outside there is a large garage with enough space for at least 2 cars and a 4000m2 plot of land planted with almond trees across the road. The property has mains irrigation water which is used for the house and doesn't have mains electric but the access point is nearby.
