Enormous apartment - great location - Oliva - OCAP333100 Located on the N-332 which is currently very busy....but all of that will change with the new plans and it will transform this apartment! The entrance is hidden in the walk way and we access the lift to the third floor.Â The front door opens to a pleasant entrance hall with immediate access to a very large lounge / dining room.Â There is a balcony off the lounge big enough for a bistro table, this runs the length of the apartment down one side. Double doors off the dining area open opposite the custom built kitchen.Â This is a very social space with a built in bar! It is a great size with a large pantry and plenty of storage.Â The washing machine has also been integrated into this area. Off we go down the hallway where we find a double bedroom and family bathroom, the next leg of the hallway takes us to three further bedrooms (2 doubles and 1 single).Â We finish with the master bedroom which is HUGE and has a really quirky large ensuite bathroom with jacuzzi bath!Â There is a store room on the communal terrace.Â viewing recommended at this price, bearing in mind the imminent plans for the N-332
